AT LAST!!!

July, 2012

Dear Praying Friends,

Our furlough has finally come to an end! As we write this, we are in Kansas City, MO, spending our last night in the States, waiting to return to Puerto Rico at 6:00 AM.

Don't get us wrong. We have thoroughly enjoyed this year in the States. We got to spend time with family. Liz was especially happy to spend time with her father.

God taught us a lot during this year, especially in the area of faith. While we didn't raise the support we had hoped for, God has taught us that as we serve Him, that HE will take care of us. I guess you can't preach as much on faith as Jerry did this year, without being challenged yourself. We were especially comforted by Psalm 37:25, "I have been young, and now am old; yet have I not seen the righteous forsaken, nor his seed begging bread."

We have met many new friends in the churches we have visited, as well as missionary families, some of which will be like family for life.

We look forward to going back to Puerto Rico. We especially look forward to seeing our two sons, Nathaniel (22), and Benjamin (20)! They have been on their own for a whole year and have comported themselves as fine young men. They have both preached in the church and been an integral part in it. They both have jobs and hope to return to college next year. They are currently paying off bills and saving for college.

We will be helping out another missionary for the first few months, who wants to go on furlough. During that time, we will be "spying out the land" to see where God would like us to start our next church.

We praise the Lord that we got to see many of you during the past year. If we didn't see us, but would like for us to report, let us know and we will accommodate you as soon as possible. You can also access our web page at: www.HarmonsInPR.com. Our DVD presentation, pastoral references, doctrinal statement, and other information is available there. You can also sign up to receive our prayer letter by e-mail on the site.

Thank you so much for your support and prayers. They are needed now more than ever!

Jerry and Liz Harmon
