

Serving our Generation ... Reaching the Next

Dear Pastor:

I would like to recommend to you missionaries Jerry and Liz Harmon. These dedicated servants of God have been serving in Puerto Rico for twenty-six years. Twenty-five of those they have been missionaries through Baptist International Missions, Inc.

In 1990, the Harmons started Fundamental Baptist Church in Manati. They have faithfully built this work in a very difficult area. Bro. Harmon has helped in establishing three other churches, worked in a camping ministry over the years and taught a number of Bible classes at the Puerto Rico Baptist College. In spite of facing several medical issues with both Bro. Jerry and his family, they have never left the field and have remained very faithful to the ministry which God called them.

I have been field director with this family for seventeen years and have personally found them to be very consistent and willing to pay the price to do the work that God has called them to do. The Harmons are worthy of your support and I would certainly recommend that you consider them to be a part of your missions family.

Sincerely in Christ,

Pat Creed
