*A Distinctive Baptist School*

DAN KNICKERBOCKER

*Crown Southwest Director*

Dear Pastor Friend,

I would like to take this opportunity to recommend Missionary Jerry Hammon to you for presenting the field of Puerto Rico.

He was my song director in College and has served the Lord faithfully for many years. He started a church in Manati and has helped other churches get started as well. He has served the Lord faithfully with a severe heart condition. He could have come home for medical leave, but has had no peace about leaving the place God has called him.

He has a great wife and two sons that are helping him. He has been under supported and needs to raise additional income. I hope the Lord would speak to you about helping this veteran missionary.

His friend and yours,
